Medical Scheme

All full-time registered student teachers who have paid an annual health service fee are eligible for this scheme.

Salient Points of the Scheme

1. Prepaid outpatient treatment at the Medical Centre on campus (Non-standard drugs will be charged at cost).
2. Consultation at Specialist Outpatient Clinics at the National University Hospital and all Government Restructured Hospitals.
3. Hospitalisation:
 - a. Student teachers are eligible for admission to the B2 or subsidised ward of NATIONAL UNIVERSITY HOSPITAL and all GOVERNMENT RESTRUCTURED HOSPITALS. There will be no reimbursement of bills incurred in any other wards (For exceptional cases, please look under "Additional Points" at <http://www.ntu.edu.sg/studentlink/sao/scheme.htm>).
 - b. A student teacher will be covered up to only 21 days of hospitalisation in each academic year.
4. Items NOT COVERED by the scheme:
 - a. Consultations at private clinics
 - b. Consultation fees, hospital charges and operation fees incurred at private hospitals or at any private nursing homes
 - c. Dental Care
 - d. Eye refraction and purchase of spectacles

- e. Medical aids and appliances
 - f. Maternity care
 - g. All pre-existing illnesses
5. The benefits of the Medical Scheme, although available to student teachers throughout their course of study, are applicable in Singapore only.
6. Conveying sick/injured student teachers to Medical Centre on campus/hospital:
- a. After operation hours of Medical Centre on campus
Minor injury and normal sickness – the campus security will help to call for a taxi to send the patient to hospital.

Emergency cases - In cases involving serious injury or illness when the patients are in need of emergency treatment, the campus security will call the Singapore Civil Defence Force for an ambulance to convey the patient to hospital as well as to provide emergency treatment.
 - b. During normal office hours

The Sports and Recreation Centre may request the campus security to assist in sending the student teacher to the Medical Centre on campus if no transport is available. The Sports and Recreation Centre does not need to send the injury report to the campus security.
 - c. Ambulance fee: only emergencies from campus to the nearest hospital will be covered.
7. All medical bills eligible for reimbursement must be claimed within 2 months of the date of the bill/receipt.

8. There will be no reimbursement of any medical bills incurred in the non-subsidised outpatient clinics of Government Restructured Hospitals and National University Hospital. For exceptional cases, please look under "Additional Points" at <http://www.ntu.edu.sg/studentlink/sao/scheme.htm>.
9. All benefits are subject to review.
10. Student teachers will cease to be eligible for the scheme when they cease to be matriculated students of the University.

Note: It is important for all student teachers to visit

Accommodation on NTU Campus

PGDE, Diploma and BA/BSc student teachers are eligible to apply for accommodation in the Halls of Residence in NTU.

The current rental fees for accommodation in the various Halls in NTU are as follows:

Double-occupancy : S\$155 - S\$190 per month
Single-occupancy : S\$195 - S\$250 per month

On top of the above stated rental rates, students staying in Hall 3 and Hall 16, will pay for the utility consumption for room air-conditioning separately as all rooms in these 2 Halls are air-conditioned. The air-conditioning charge is computed on per-room-per-month basis according to meter reading. For double room, this air-conditioning charge will be divided out equally between 2 rightful occupants.

A non-refundable application fee of S\$15.75 (inclusive of GST = S\$0.75) will have to be paid at the time of application.

New student teachers will be invited to apply for hall when they receive their letter of offer of admission. Closing date for hall application is 31 Jan 07. They have no choice of hall and room (except they can opt out for Hall 3 and Hall 16 due to the higher rental rate) and are eligible for double-occupancy rooms only.

Many of the rooms have already been allocated to the July 2006 intake of NTU students and NIE student teachers. As such, there are limited places left.

In the event that you are not offered accommodation due to shortage of places, we will still notify you and put you on a waiting list until vacancies arise. The outcome of your application will be sent to you within 7 working days from date of submission. You will be informed by 31 Dec 06 if you submit your form by 15 Dec 06. If you have not received any letter by 15 Jan 07, you are advised to contact 6790-5155.

Application for accommodation in the Halls of Residence will be open to current student teachers in late March every year. All other student teachers except Jan 2007 intake student teachers will have to compete for rooms with other NTU students on new Hall Admission Scheme. Details of this new scheme will be announced in due course.
