

Other Student Organisations

Besides the Trainee Teachers' Club, there are other student organisations in NTU which cater to a variety of interests among NTU students and NIE student teachers. Details of NTU student clubs and societies can be found at **<http://www.ntu.edu.sg/publicportal/students/ecas+and+clubs/default.htm>**. More information can also be found at NTU Student Affairs Office's website at **<http://www.ntu.edu.sg/sao/home>**

There is one club in NIE that is not a constituent club of the NTUSU but is registered with the Registrar of Societies as an independent student body. This is the Malay Language and Cultural Society. Their sole purpose is to promote Malay Language, literary, cultural, educational interests and activities in NIE.
