Tuition Fees (Coursework) for Academic Year 2020-2021 Non-Subsidised Programmes

NTU will freeze tuition fees for Singapore Citizens enrolled in government subsidised postgraduate programmes in AY2020. This will help mitigate the impact of costs to Singaporean households during these challenging times. Postgraduate tuition fees follow a fee schedule that is set at the year of admission, with pre-planned annual adjustments over the course duration. With the freeze in tuition fees, Singaporean students from the AY2020 intake will pay the AY2019 fees in their first year of study.

For Singaporean postgraduate students from the AY2019 intake or earlier, they will pay the AY2019 fees in AY2020. The fee schedule for the remaining course duration for Singaporean graduate (coursework) students admitted in the AY2020 intake and before will be reviewed before the start of AY2021.

The freeze in tuition fees for AY2020 does not apply to fees payable by Singapore Permanent Resident (PR) and international students (IS).

(A) Notes on Tuition Fees:

1. All fees listed below are in Singapore dollars (S\$). Every academic year, fees are reviewed and subject to revision. As and when fees are revised, the new fees will be applicable to all existing and new students. The fees are inclusive of GST.
2. There are two semesters in an academic year. Fees payable every semester must be paid in advance and within the stipulated period.
3. Students who fail to pay fees within the stipulated periods can have their names struck off the register of higher degree students. A student whose name has been thus struck off but who is otherwise eligible to continue his candidature will be reinstated only after he has settled all outstanding fees and paid a re-registration fee of S\$53.50.
4. A student who withdraws or leaves the University two or more weeks after the commencement of his candidature or the commencement of the semester is liable to pay the fees due for the semester.
5. The University's Board of Trustees reserves the right to alter fees at any time without notice.

Other Fees

6. There are other miscellaneous fees payable at the time of matriculation. Please refer to the section below on "[Miscellaneous Fees](#)" for more details.
